Dear Ms. Dortch:

On Thursday April 25, 2002, Joel Lubin, Dale Lifson and I met with Dorothy Attwood, Chief of the Wireline Competition Bureau, Carol Matthey, Deputy Chief of the Wireline Competition, Jessica Rosenworcel, Counsel to the Bureau Chief, Katherine Schroder, Chief of the Telecommunications Access Policy Division, Eric Einhorn and Paul Garnett, both of the Accounting Policy Division. During the course of that meeting, we stressed the need for the Commission to grant AT&T's request to, on an interim basis, contribute to universal service

based on projected revenues and the need for the Commission to permanently fix the universal service contribution mechanism by adopting a per connection assessment methodology. The positions expressed by AT&T were consistent with those contained in the Comments and ex parte filings previously made in the aforementioned dockets.

One electronic copy of this Notice are being submitted for each of the referenced proceedings in accordance with the Commission's rules.

Very truly yours,
